Central Minnesota Retriever Club, Inc. offers a variety of events for its members. CMRC holds two licensed Field Trials each year as well as a licensed Hunt Test. The club also holds several informal trials throughout the year. The club grounds are open to club members to use to train their dogs. CMRC also sponsors a vet clinic on the first Wednesday of May which is open to everyone. The Winter Banquet is held in February.

All of these events rely on the time and efforts of individual members. Please step forward to volunteer to help. The club needs help with ground maintenance, throwing birds at trials, marshalling, kitchen help, etc.
